OTE 84-5570

27 November 1984

MEMORANDUM FOR: DDA Senior Personnel Officer

FROM: [redacted] STAT
Director of Training and Education

SUBJECT: 1985 Upward Mobility Program

REFERENCE: Memo CMS/DA (DDA 84-3379) dated 16 November 1984, Same Subject

1. The Office of Training and Education (OTE) has carefully reviewed its staffing requirements for the coming year. Unfortunately, no suitable vacancies for the 1985 Upward Mobility Program are projected.

2. This Office recently participated in the 1984 program with an Operations Research Analyst Instructor position at the GS-09 level. Despite an extensive review of both the candidates nominated by the selection panel as well as those not nominated to OTE in the initial selection, no one was selected due to lack of qualifications. As a result, OTE is now filling the position internally. The Office of Training and Education supports the Upward Mobility Program, has acquired some excellent careerists through past runnings of it and fully intends to participate in the 1986 offering.
